

Maintaining Essential Laundry Services in Our Residential Communities

Our team members are working to support residential communities in maintaining functioning community (shared) and in-home laundry operations. With help from our client partners, we are keeping millions of Americans supported in having clean laundry.

Providing services in the safest way possible is important for us all. We have re-written our kfr6.6 ho(w)2.7 (w) while servicing your machines. distancing.

- x We will no longer be able to collect and process a commission
- x In most cases, the responsibility of machines in them rests with the limitations. According to the CD

_____ can be done relatively quickly, through basic methods and with routine products.

- x Encourage residents to follow [CDC general guidelines for doing laundry](#) as well as issued Recommendations for Households with Suspected/Confirmed Coronavirus Disease 2019.

- x Our customer service phone lines are supporting many calls. We encourage all clients to take advantage of [ways to manage your account online](#).
